Built from aluminum with a focus on stability, the SC bikes are designed to emulate the noticeably smoother feel of freshly cured asphalt that every cyclist yearns for. Ergonomically built and engineered for simplicity and function, the SC3 also seamlessly and wirelessly connects to your technology via Bluetooth® and ANT+™. The SC3 is the only indoor studio bike that comes standard with a Stages Power meter and self-generating EcoSCRN display.

This product once upgraded can be ANT+™ and Bluetooth. Visit www.thisisant.com/directory for compatible products and apps.
